Teams Challenge Course, Paintball, Zip Line and Climbing Wall & other Activities
Acknowledgement of Risk and Assumption of Responsibility / Liability Waiver / Hold Harmless

LGYC/CC "Stronghold" adventure programs involve a variety of activities that often include warm ups, exercises, activities, group initiative problems, low element challenges and high element challenges like the zip line and climbing wall, among other activities. Participants engage in stronghold adventure activities always by their own choice, so the individual must assume the risk of injury. We do not want you to engage in activities that would be detrimental to your health or which might be opposed by your physician because of illness, injury or surgery. We ask you for the following information so we can be aware of potential problems to better help you safely enjoy your experience. Thank you for your assistance!

I understand that during my participation in the Teams Challenge Course, Paintball, Zip Line or Climbing Wall, Slip-n-Slide, Boating, Swimming or other Activities, I may be exposed psychologically and physically to stressful and challenging situations. I understand, too, that although the program has taken precautions to provide proper organization, supervision, instruction, and equipment for each activity, it is impossible for the program to guarantee absolute safety. I understand and appreciate that there are a number of inherent risks involved in these activities that are beyond the control of the camp or its staff and agree to personally assume such risk. Also, I understand that I share responsibility for safety and I assume that responsibility. Further, I waive any claim that may arise against LGYC/CC or its employees as a result of my participation in the stronghold activity. I accept responsibility for my personal health and verify that I have no physical or psychological problems that would prohibit my participation in the activity. I agree to comply with all instructions and directions of Lake Geneva Youth Camp & Conference Center staff during my participation.
