Dear friends,

We are so very thankful for your support and involvement in the ministry of Lake Geneva Camps and Conferences. Both Lake Geneva Youth Camp & Conference Center and Conference Point Center have an incredible legacy of creating life-changing experiences for the guests, campers, and families that participate in our camps and conferences.

God has greatly blessed our ministry in 2014. Over 21,000 campers and guests will be impacted by our programs this year alone. Our vision of impacting 50,000 guests annually in the coming years is very reachable—with your help. However, we simply will not be able to accomplish this “stretch” goal without the contribution of your time, talents, and treasure! It really is such a blessing to have you working right alongside us as we reach young people and families with the Good News of Jesus Christ.

Our property, lodging, meeting rooms, recreation, and other facilities create the “platform” from which camps and conferences deliver outstanding programs—the sharing of God’s love for us and His plan for our lives. Excellent facilities will allow us to reach lives for many years to come!

God’s timing is always perfect. We are very excited to announce that we have just received a $1,000,000 Challenge Matching gift from the Soderquist Foundation. For every dollar given to the capital campaign (capital projects and facilities) at Conference Point Center, an equal amount will be donated by the foundation—up to one million dollars!

Would you consider giving a gift today toward our campaign and facilities vision?

Thank you again for your prayers, partnership, and support,

PRAY & SERVE:

It takes many hands and faithful prayer warriors to keep our facilities running at their best. Would you consider getting involved today? We need committed individuals praying regularly for the vision of camp, the capital campaign, and the ongoing outreach to youth and families. We also need volunteers dedicating their time and talents to serving and furthering the Gospel for the Kingdom. Would you pray and/or serve? Please contact Christiaan Sneedecker at (262)248-5500 to get involved.

SPECIAL GIFTS:

A list of the top gift items that will raise the general experience of our campers and retreat guests.

Dear Friends and Family,

Colossians 3:17 “And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him.”

We are so blessed as a ministry to have the opportunity to live this verse out day by day as we serve, share the Gospel, show the love of God, and challenge our guests to live lives dedicated to following Jesus Christ. Your gifts make a difference. How do we know? Because all week we receive feedback like these comments made by Teen Leader Dawnielle Grace from Mt. Hebron Missionary Baptist Church: “The Lake Geneva Youth Conference Center has provided an environment and a facility that makes it easy to retreat from the things in society and the city that make it easy to stray away from our relationship with God. This atmosphere is absolutely beautiful; it’s so peaceful. The staff is so nice... It’s an absolute pleasure to be here and it’s made it so much more easy to retreat from those distractions and concentrate on Christ, which is the focus of our retreat and the focus of our being here."

Your gifts designated toward maintaining and improving our facilities allow us to provide the platform for ministry that Dawnielle talked about – the atmosphere free from distractions that allows our campers and guests to focus on Christ.

“All of the people that make the camp what it is, are absolutely fabulous! While they are all equally as great, I especially love that my boys have great, fun male counselors. It’s good for them to see that it’s cool to serve God.”

“My son came home and on his own initiative wanted to set a goal of reading the Bible in one year time period.”

Looking Forward

We have many exciting projects planned for the future. Check out our next two projects on the horizon and how you can get involved:

Conference Point Center:
- Magill Renovation Completion

Project Needs: $120,000

We have already invested $80,000 into the renovation of Magill, but we still need about $120,000 to finish the project. Our next phase of the remodel will add a meeting space, renovate the bathrooms, increase the number of bathrooms and showers, and complete exterior improvements.

Lake Geneva Youth Camp & Conference Center:
- Circle Cabins Remodel

Project Needs: $35,000 per cabin building (8 total)

At the start of camp, campers slept in chicken coops; in the 1970’s our current cabins were constructed. But after 40+ years of wear and tear, our cabins are in need of a little love and attention. $35,000 per cabin building will allow us to add additional restrooms and showers, remodel the interior, exterior, and patio, add AC, and winterize the cabins for year-round use.

Please consider giving toward these capital projects so that we can continue to provide excellent camp experiences for many generations to come.
