LAKE GENEVA YOUTH CAMP
SUMMER GUIDE 2025

Connection: Building real connection-with friends and with God-at the heart of every camp experience.

WELCOME TO CAMP

We're so glad your church group is coming to Lake Geneva Youth Camp (LGYC) this summer! For over 75 years, LGYC has been a place set apart for life-changing experiences in Christ. It's a week filled with friendship, fun, outdoor adventure, and most importantly—opportunities to grow in faith.

In today's world, kids need time away from screens, space to connect with others, and a safe environment where they can encounter God in a real way. That's why we believe in the power of camp. While we love games, campfires, and crazy theme nights, our greatest passion is sharing the truth and hope of the Bible with every camper who walks through our gates.

This Summer's Theme: "The Great Race"

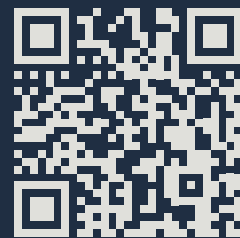

Hebrews 12:1 — "Let us run with perseverance the race marked out for us."

This summer, campers will dive into the theme of "The Great Race." Life isn't a sprint—it's a long-distance run that takes faith, endurance, and focus. Throughout the week, campers will be encouraged to throw off distractions, fix their eyes on Jesus, and run their race with purpose.

Each day includes:

- Chapel sessions with messages designed just for their age
- Cabin group time to talk, reflect, and grow together
- Personal time for prayer and journaling
- Worship that's energetic, meaningful, and Christ-centered

Whether your child is just beginning their faith journey or already growing in their walk with Jesus, this week will challenge and encourage them to take the next step.

EARN YOUR PATCH THIS SUMMER!

At LGYC, we love helping campers grow—while having fun. That's why we created the Patch Program: a way to encourage kids to stretch themselves spiritually, socially, and in leadership.

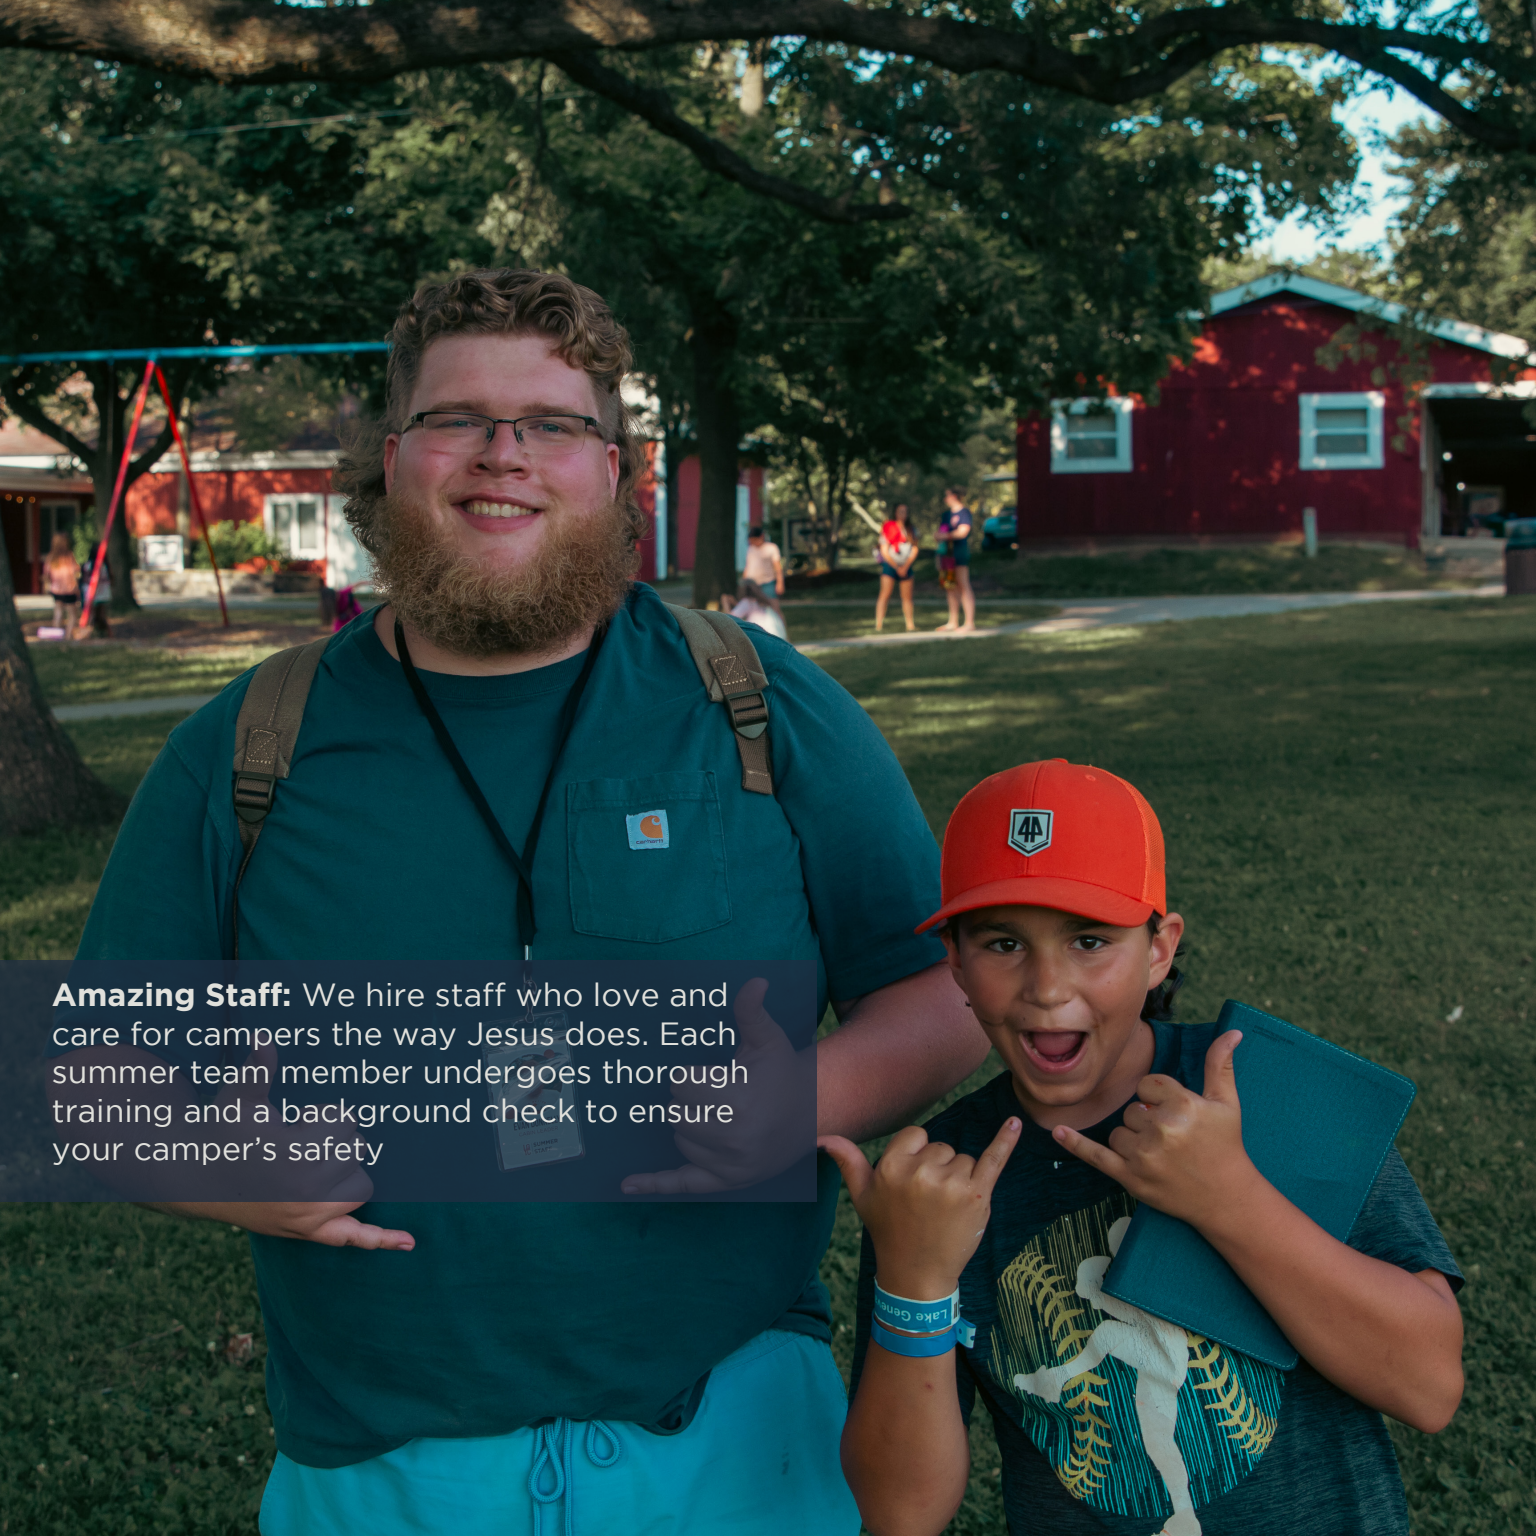

The goal? For every camper to finish the week knowing they've grown in faith and the character of Christ. Patches are earned—not just given—and they're a meaningful symbol of effort, attitude, and heart.

"I felt so proud to get my patch. It wasn't just for fun—I actually felt like I grew in my faith!"

— 7th Grade Camper
